Healthwatch Bracknell Forest is here to help the people of Bracknell get the best out of their local health and social care services. We will talk, listen and collect local voices from every part of the community to improve these services, provide information about the care choices available and make health and social care providers answerable to the public. We are independent, accountable and we have the strength of the law and Healthwatch England behind us.

Healthwatch Bracknell Forest is recruiting members of the public to join the team of volunteers who help promote and carry out Healthwatch Bracknell Forest activities and functions. You know your neighbourhood; you have relatives, friends, neighbours, colleagues and a whole network of contacts who you could ask for their ideas about how to improve services for everyone. **You are the local experts!**

Joining the Healthwatch Bracknell Forest team will give you a great opportunity to help make a real difference to delivering service improvements and benefits for communities across Bracknell Forest.

The enclosed recruitment pack provides further information on the volunteer positions. I hope you will find it both interesting and useful and look forward to receiving your completed application.

The recruitment pack includes:

- The Recruitment Process
- Job outlines for the two volunteering opportunities
- Application Form

If you want to apply to be a member of the Healthwatch Bracknell Forest team, but for any reason feel that a written application form is not suitable for you, please contact Andrea McCombie, Project Manager, on 01344 266911 or email [andrea@healthwatchbracknellforest.co.uk](mailto:andrea@healthwatchbracknellforest.co.uk)

## Introduction

Healthwatch Bracknell Forest is a consortium of local voluntary sector organisations (currently ten). Each organisation has representation on the Project Management Board working with public representatives (currently two) and The Ark Trust Ltd has contractual responsibility for the contract held with the Local Authority and is the employer of Healthwatch staff and volunteers.

## The Recruitment Process

### *Eligibility*

Applicants must be over the age of 18 with residency and/or knowledge of Bracknell Forest and be interested in health and social care services. We welcome applications from people who have personal experience of local services. It is important that applicants, or members of their immediate family, do not have a conflict of interest as a result of any existing roles in the local health and social care economy and landscape. Therefore we are unable to accept applicants who are currently *commissioners of health and social care services in Bracknell Forest*.

We will accept applicants who are currently:

- Health or social care providers and their employees within Bracknell Forest or who supply health and social care services to people in Bracknell Forest
- Providers affiliated with a private company providing goods and services to local healthcare and social care providers
- Elected members of local or central government

But there may be a restriction on some of the activities they can undertake to manage potential conflicts of interest.

### *Conduct*

The Health and Social Care Act (2012) Regulations relating to Healthwatch prohibit campaigning which might be deemed to be political. Healthwatch is a non-political, independent organisation and volunteers must ensure that they do not engage in activities whilst representing and engaging in volunteering activities for Healthwatch that would breach these Regulations and bring the organisation into disrepute.

Applicants should declare all potential conflicts of interest on their application form.

### *Process*

Paper or electronic copies of the application packs will be available on request and downloadable from Healthwatch Bracknell Forest website [www.healthwatchbracknellforest.co.uk](http://www.healthwatchbracknellforest.co.uk)

If you want to apply to be a member of the Healthwatch Bracknell Forest team, but for any reason feel that a written application form is not suitable for you, please contact Andrea McCombie on 01344 266911 or email [andrea@healthwatchbracknellforest.co.uk](mailto:andrea@healthwatchbracknellforest.co.uk)

All applicants will be invited to attend an interview.

Enhanced Criminal Record Bureau checks will be made on successful candidates (if they do not already have one with another Bracknell Forest organisation) before formally taking up their volunteer role. The cost of these checks will be met by Healthwatch Bracknell Forest.

Applications for volunteer roles will be accepted at any time.

### **Healthwatch Bracknell Forest Community Champion Job Outline**

Community Champions help to promote Healthwatch Bracknell Forest and its work within the local community. This could involve running a promotion stall at a local event, collecting the views from people you meet at your clubs and groups, delivering leaflets and posters to places such as local GP surgeries and, in some cases, delivering a small presentation to a local group.

#### *Time commitment*

Initial training sessions: Approximately 1 day

Thereafter: Flexible to suit volunteer

### **Healthwatch Bracknell Forest 'Enter & View' Representative Job Outline**

One of the statutory powers Healthwatch Bracknell Forest has is 'Enter & View'. Representatives, ideally in groups of three (professional, expert patient and lay member) can enter and view health and social care facilities and services. This may be because we have been invited by the service provider or because members of the public/ partner organisations (such as the Care Quality Commission - CQC) have highlighted areas of concern.

#### *Time commitment*

Initial training sessions: Approximately 2.5 days

Thereafter: Flexible to suit volunteer

*More detailed information on 'Enter & View' can be found on our website.*
